Job Coaching

Seinäjoki, Ilmajoki, Isokyrö, Isojoki, Karijoki,
Kauhajoki, Teuva ja Kurikka

The coaching process is always individually tailored to the customer's needs.

WHAT IT IS?

Personal, customized, and intensive individual service. The coaching may also include group training occasionally. Coaching can be carried out with versatile guidance methods based on the customer's needs, e.g. face-to-face or remote guidance (Teams, by phone). The method of implementation is always agreed together with the customer.

CONTENT OF SERVICE:

- Personal training plan and coach support throughout the process
- Identification of work skills and plan for further development of work skills
- Job search documents, job search methods and preparing for a job interview
- Job search process and hidden work opportunities
- Support in job search, work trial place search or in search for pay subsidy employer
- Mapping educational options
- As needed, support and guidance in staying at work or in education
- Possibility to attend working life card courses

TO WHOM?

For job seekers who need support and guidance in looking for a job or work trial place, concluding an employment contract, establishing an employment relationship, or finding a training place. The service is aimed at people who live in Seinäjoki, Ilmajoki, Isokyrö or the Suupohja region (Isojoki, Karijoki, Kauhajoki, Teuva).

WHERE?

The training is carried out in close supervision at the customer's city of residence or as remote service.

DURATION

The duration is individual. The service can continue also after finding a job or work trial place.
