Implementation of coaching

- * Duration max 12 months
- * There is a minimum of 2 hours of training per month, a maximum of 50 hours / 12 months. The duration of the coaching is shaped by personal need and situation
- * The service is individual and customized individual coaching

Enrolling for job coaching

You can register for coaching by contacting the TE-office:

- * If you have your own responsibility expert appointed at the TE Office, contact him / her directly by phone or e-mail (firstname.lastname@te-toimisto.fi)

OR

- * Leave a contact request via the My Services service on the www.te-palvelut.fi page

Once the TE-Office has processed your registration, the coach of Valmennuskeskus Public will contact you within five days by phone and / or e-mail and arrange a first appointment with you.
